**ADDENDUM NUMBER ONE**  
to the  
**CEDAR STREET RECONSTRUCITON PHASE 2**  
**BID DOCUMENTS, SPECIFICATION AND PLANS**

---

To all prospective bidders under the specifications for the **Cedar Street Reconstruction Phase 2**, for which bids are to be received by the City of Elko, at the office of the Elko City Clerk located at 1751 College Avenue, Elko, Nevada 89801, until 3:00 P.M., local time, on Friday, February 23rd, 2018.

The following changes, deletions and additions are herein made and become a part of the Project Bidding Documents, Specifications and Plans for the above referenced Project.

- 1) The following items were discussed at the pre-bid meeting with regard to bid documents.
  - Attention to pages 7-8, Items 8 & 9 in the bid documents, regarding a printout from Nevada State Contractors Board indicating bidder has a Nevada Contractors license (dated no more than 90 calendar days prior to the date of receipt of bids), and also that the Bidder submits a qualification certificate.
  - General Contactor must do 50% of the work on the project.
  - If bidder is submitting "Preferential Status" please keep in mind that with the application for preferential status an affidavit is also required. This is a fairly new requirement.
  - Be certain to self-list on both the 1% list and the 5% list.
  - Be sure to utilize the Bid Evaluation Checklist, it will help ensure all items are included in the bid package.
- 2) Please see the attached Structural Detail Sheet S1 for the Trench Drain and Stairs. This plan sheet when combined with the entire bid document & plan set pdf became corrupt resulting in some of the text being eligible.
