ADDENDUM NUMBER TWO

to the CEDAR STREET RECONSTRUCTION PHASE 2 BID DOCUMENTS, SPECIFICATION AND PLANS

To all prospective bidders under the specifications for the **Cedar Street Reconstruction Phase 2**, for which bids are to be received by the City of Elko, at the office of the Elko City Clerk located at 1751 College Avenue, Elko, Nevada 89801, until 3:00 P.M., local time, on Friday, February 23rd, 2018.

The following changes, deletions and additions are herein made and become a part of the Project Bidding Documents, Specifications and Plans for the above referenced Project.

- 1) The following question was asked:

"I have our paving subcontractor asking if they can use Topin S or SS-1 as a prime coat?"

Response: If this question is regarding the curing of the road bed modification, please refer to page 77 of the bid documents. Under the road bed modification specifications, Part 3 Execution, 3.01 T states the following:

T. Protection and Curing. The Contractor shall water cure the completed processed material by moisture curing the surface until just prior to the placement of the plantmix bituminous pavement course. The Contractor shall use water spray equipment of a type which will apply moisture in a fog or mist that is free of hydraulic pressure that can disturb, or damage, the finish surface of the pulverized/cement blend mixture.

If this question is regarding the tack coat applied between pavement lifts shown on Sheets C29 and C30 of the Construction Plans, please be advised that only SS-1H shall be used and is only required if the bottom lift has cooled as called out on the plans.

- 2) Please be advised that Sheet C1 of the Construction Plans under project specifications Note 1 calls out the project specifications as the "Standard Specifications for Public Works Construction, 2016 Edition. Following Notes 2, 6, 7, 8, 9, 10, 11, 12 refer to Section with titles and number matching the 2012 Edition. The appropriate section of the 2016 edition applies. Please see the summary below.

Note 2 – Section 300 Site Preparation

Note 6 - Section 300 Site Preparation and Section 301 Protection and Restoration

Note 7 – Section 203 Pipe and Related Materials, Section 305 Pipe System, Section 307 Fire Hydrants

Note 8 – Section 203 Pipe and Related Materials, Section 306 Culverts, and Sanitary Sewer and Storm Drain Systems.

Note 9 – Section 302 Subgrade Preparation, Section 303 Excavation, Section 304 Fill and Backfill

Note 10 – 200 Aggregates for Base Courses and Section 308 Untreated Base Courses

Note 11 – 200 Aggregates, Section 202 Cementitious and Related Materials and Section 312 PPC Flatwork

Note 12 – Section 200 Aggregates, Section 201 Asphalts and Additives Materials, 318 Prime Coat and Tack Coat and Section 320 HMA Pavement

- 3) Please see the attached Preferential Bidder Status Affidavit. This form is required to be included with the Bidder Preferential Certificate.

**PREFERENTIAL BIDDER STATUS AFFIDAVIT FOR BIDS SUBMITTED IN
ACCORDANCE WITH NRS 338.0117 VALUED \$250,000 OR MORE**

Although the City of Elko prefers this form is submitted with the bid response, this form may be submitted within two (2) hours of the bid opening.

Note: The Certificate of Eligibility for Preferential Bidder Status issued by the State Contractor's Board must be submitted with the bid response.

I, _____ (“Affiant”), on behalf of _____ (“Contractor”), swear and affirm that in order to be in compliance with NRS 338.0117, and be eligible to receive a preference in bidding for Project No. _____, Project Name _____ (“Project”),
_____ (“Project”),
certify that for the duration of the project, collectively, and not on any specific day:

- a) At least 50 percent of the workers employed on the public work, including, without limitation, any employees of the contractor, applicant or design-build team and of any subcontractor engaged on the public work, will hold a valid driver's license or identification card issued by the Department of Motor Vehicles of the State of Nevada;
- b) All vehicles used primarily for the public work will be:
 - 1. Registered and partially apportioned to Nevada pursuant to the International Registration Plan, as adopted by the Department of Motor Vehicles pursuant to NRS 706.826; or,
 - 2. Registered in this State;
- c) If applying to receive a preference in bidding pursuant to subsection 3 of NRS 338.1727 or subsection 2 of NRS 408.3886, at least 50 percent of the design professionals working on the public work, including, without limitation, employees of the design-build team and of any subcontractor or consultant engaged in the design of the public work, will have a valid driver's license or identification card issued by the Department of Motor Vehicles of the State of Nevada; and,
- d) The contractor, applicant or design-build team and any subcontractor engaged on the public work will maintain and make available for inspection within this State his or her records concerning payroll relating to the public work.

If the Contractor fails to comply with any requirement of this Affidavit, a public body may recover, by civil action against the party responsible for a failure to comply with a requirement of this affidavit, a penalty as described below for a failure to comply with a requirement of this affidavit. If a public body recovers a penalty pursuant to this subsection, the public body shall report to the State Contractors' Board the date of the failure to comply, the name of each entity which failed to comply and the cost of the contract to which the entity that failed to comply was a party. The Board shall maintain this information for not less than 6 years. Upon request, the Board shall provide this information to any public body or its authorized representative.

If a contractor, applicant or design-build team submits this affidavit, receives a preference in bidding described in this affidavit and is awarded the contract as a result of that preference, the contract between the contractor, applicant or design-build team and the public body, each contract between the contractor, applicant or design-build team and a subcontractor and each contract between a subcontractor and a lower tier subcontractor must provide that:

- a) If a party to the contract causes the contractor, applicant or design-build team to fail to comply with a requirement of this affidavit, the party is liable to the public body for a penalty in the amount of 1 percent of the cost of the largest contract to which he or she is a party;

- b) The right to recover the amount determined pursuant to paragraph (a) by the public body pursuant to this affidavit may be enforced by the public body directly against the party that caused the failure to comply with a requirement of this affidavit; and,
- c) No other party to the contract is liable to the public body for a penalty.
