I, _____ the responsible party agree to pay any and all charges accrued on this account as pertaining to construction water.

I agree to pay \$1.50 per 1000 gallons or a minimum fee of \$15.00 for each month that construction water is used. This fee applies if a maximum of 10,000 gallons or less is used within the period of one month. If water is not used, the minimum will not be billed.

I agree to pay a \$75.00 HOOK UP FEE. I also agree to pay an annual fee of \$25.00 for each additional year from the date of application for which construction water is requested or each meter relocation.

I agree to pay the amount due in full within THIRTY (30) days after billing. If billing is not paid in full a 1.5% late penalty will be assessed.

I acknowledge that I am required to have a City of Elko Business License.

IN CASE OF EMERGENCY OR SHORTAGE OF WATER YOUR SERVICE MAY BE DISCONTINUED WITHOUT NOTICE.

Please note that gray water is also available for construction purposes and should be used if fresh water is not necessary.
