

CITY OF ELKO
SPECIAL EVENTS ON CITY SIDEWALK PROCEDURES AND APPLICATION

The Elko City Special Events Permit on City Property allows the public use of City Property when the event requires closure of any City property. This includes usage of City sidewalks adjoining businesses. This application is intended for the temporary use of the sidewalks only. The person requesting the usage must complete the application prior to the use of the sidewalks. The sidewalks may be used from 6:00 a.m. to 11:00 p.m. for each day of the requested usage.

Following are the requirements for the sidewalk usage:

- A. The Event Permit on City Sidewalks application must be completed. See item F for selling or serving liquor. Please explain the purpose of the sidewalk usage. A fee will be charged for vendors selling on the sidewalk unless they have an Elko City Business License for a business physically located in the city or it is a non-profit business. .
- B. Please use the enclosed Sidewalk Site Plan and identify the placement of all bars, tables, cabanas, etc. A 5' clear zone has been identified on the plan and must remain clear of any objects. Following are the Fire Department requirements:
 1. A full width minimum of 60 inches of unobstructed walkway must be maintained along the curb line.
 2. No vehicles, trailers, or heavy equipment may be parked, placed, or operated on the sidewalks.
 3. The business exit/entrance doors and passageways cannot be blocked, obstructed or altered in any way.
 4. Any temporary structures, tents, counters or service areas shall be safely secured against weather movement or human endangerment, and "at all times a minimum of 5 feet open clearance passage shall be maintained." All tents and covers to meet "California Flame Spread" standards and label, and a minimum of a 5 pound ABC dry chemical extinguisher readily visible within 10 feet of temporary facility.
- C. The applicant must obtain signatures and approval from the departments shown on the Staff Flow Sheet.
- D. The City requires a liability insurance policy for the sidewalk in the amount of \$1,000,000 with the City of Elko named as additional insured.
- E. If the applicant is requesting the use of a sidewalk adjoining property that is not owned by the applicant, the applicant must have the property owner sign the City of Elko Vendor Permit on City Sidewalks application and must pay applicable fees.
- F. A Special Event Liquor License Application is required by any person selling liquor on the sidewalk. No fee will be charged if the applicant is the adjoining property owner having an existing Elko City Liquor License.
- G. The applicant is responsible to provide for the disposal needs to insure the health and safety of the participants and citizens.
- H. The applicant shall remove all trash, debris and bodily fluids from the sidewalk. Failure to do so will result in the denial of future sidewalk applications.
- I. All applicants must sign this form agreeing to abide by all the above requirements for usage of Elko City property. **Failure to comply with all requirements may result in revocation of this permit and/or future permits.**

I have read and agree to abide by all requirements as outlined in the aforementioned procedures for the usage of a City of Elko sidewalk.
