

ElkoKids SnoBowl Ski/Board Program

Junior Ski & Board Lessons

◆ We Make It Fun

The ElkoKids SnoBowl Ski/Board Program consists of five exciting two-hour lessons for ages 6-16. Lessons are held on Saturdays for "Slush/Board Puppies," those that have never skied/boarded, and "Sno/Board Hounds," those that have some ski/board experience. The ElkoKids SnoBowl Ski/Board Program specializes in making learning to ski/board a fun and safe experience. All lessons are directed by certified instructors to help your child develop the skills required to enjoy a lifetime of winter fun on the slopes.

◆ Our Goals

While providing a safe and progressive experience with a huge emphasis on fun, our aim is for your child to become an independent skier/boarder with an awareness of mountain safety and the skills to become "all-mountain masters." During each lesson our instructors will use positive and creative coaching techniques to maximize learning and excitement.

◆ Tips For Parents

Please assure your child eats a high energy meal before arrival and that he/she comes prepared for all weather conditions, wearing a **hat, goggles or sunglasses, sun screen, lip balm, neck warmer, jacket, gloves, waterproof pants, synthetic long underwear (not cotton), and warm socks**. Parents/guardians are not permitted on the slopes during their child's lessons. Parents are welcome to sit in the ski lounge or in their vehicle during lesson time. Transportation is **NOT** provided. There are no refunds unless the program is cancelled.
