ADDENDUM NUMBER TWO
To
E. IDAHO STREET AND MANZANITA LANE
WATER MAIN EXTENSION - 2012
BID DOCUMENTS, SPECIFICATIONS AND PLANS

To all prospective bidders under the specifications to construct the E. Idaho Street and Manzanita Lane Water Main Extension – 2012, for which bids are to be received by the City of Elko, at the office of the Elko City Clerk located at 1751 College Avenue, Elko, Nevada 89801, until 3:00 P.M., local time, on Friday, February 3, 2012.

The following changes, deletions and additions are herein made and become a part of the Project Bidding Documents, Specifications and Plans for the above referenced Project:

1. The steel casing used on both bores shall be 0.375" wall pipe.
2. All mechanical joint and flange bolt & nut sets shall be coated blue for corrosion protection.
3. The test pressure shall be 225 psi instead of the 300 psi listed in the specifications.
4. Copper wire jumpers shall not be required for cathodic protection as listed in the specifications.
5. Traffic Control Plan must be submitted and approved by NDOT prior to construction of Work. Per NDOT, an arrow sign board will be required for the closed traffic lane.
6. The shoulder along E. Idaho Street should receive some gravel upon completion. This gravel is similar to Type II Aggregate Base but is not crushed or cleaned.
7. Millings shall be supplied by the City of Elko and hauled to the project by the Contractor from Waste Water Reclamation Facility located at 1600 Sewer Treatment Plant Road.

Dated this 27th day of January, 2012.

Elko City Council
